About the Assessment Test:

Assessment Exam that would be conducted as part of DISHA Project has four exams in it – Perception Opinoinaire (PO), Personality effectiveness Scale (PES), Career Preference Scale (CPS) and Aptitude

This test is for identifying and analyzing the Skill Vs Aspiration for women and understanding Key Interest and Skill areas of the women students. In this connection the following are done:

1. Aspiration Vs Skill Gap Analysis: Using this assessment tool, aspirations/skills of the students are analyzed and a comprehensive report is generated based on the gaps identified.
2. College wise report can be generated, understanding the key areas of Skills of the students and also key areas of aspiration of them. So that Colleges, University and students collaboratively can work on the areas required.
3. Can understand where each student stands on the Aptitude part which is in line with any of the competitive exam topics.
4. Through the PO test, University and colleges can have the College assessment done on various parameters from the eyes of the student.
